The Passing of our Eminent Venerable Master Chin Kung

In June of 2001, Master Chin Kung established the Pure Land Learning College Association in Australia to nurture and train his successors to continue the propagation of Buddhism.

In 2010, he set up the Multi-Faith and Multicultural Centre. To celebrate his life, a memorial service was held on 20 August 2022. Various faith leaders, community leaders and heads of organisations were present. Their representatives made touching and inspiring speeches touching on the late master's contributions to education, religious harmony, peace work and community programs in Toowoomba and the region.

A memorial service was also organized in Malaysia and Singapore in remembrance of the late Venerable Master Chin Kung. This ceremony brought together everyone from different faiths to commemorate the life of Master Chin Kung and his achievements all these years. The Venerable Master Chin Kung was truly a mentor, teacher, whose life, and contributions to peace works can inspire the rest of us to do better with our own. Thank you, Venerable Master Chin Kung. We are grateful for all you have done to better our lives.
